

How Any Woman Can Remove Hairy Growth

(Beauty Culture)

It is not longer necessary for a woman to visit a beauty specialist to have superfluous hairs removed, for, with the aid of a plain depilatory paste, she can, in the privacy of her own home, remove even a stubborn growth in a very few minutes. The paste is made by mixing some water with a little powdered depilatory. This is applied to the hairs and after 2 or 3 minutes removed and the skin washed when it will be left clear and hairless. Be sure you buy real depilatory.

Stop the "Snuffles"

If you want to make your distressed babies easy and comfortable, give **Foley's Honey and Tar**.

It is just what they ought to have for feverish colds, coughs, "snuffles," and wheezy breathing. It stops cough, soothes the throat, and soothes the lungs. It is a natural, non-morphone, chloroform or other drug that you wouldn't like to give to young children. Do not accept a substitute.

"My baby was stricken with a severe cough and cold at one month old. I have tried to follow directions of Dr. H. H. H. and Dr. E. H. H. and it surely did help him. He has been well ever since."

HAVE RETURNED FROM THEIR WEDDING TOUR
Mr. and Mrs. Franklin Rumford of 533 Main street have just returned from their wedding tour, during which they visited Mr. Rumford's former home at Chester Penn., after leaving there on the evening of Jan. 6th and stopping at New London and Philadelphia on the way. From Chester they went on to Washington, Richmond, Fredericksburg and Old Point Comfort, making stops of a day or so at each place. From Old Point Comfort they went on to New York City, where they were met by their friends and then they went to Atlantic City by way of Philadelphia. This famous seaside resort was found delightful at this season of the year. The family then went to New York to enjoy thoroughly all the attractions that it had to offer, before they once more turned their faces towards home. They were favored with fine weather at all stages of the trip.
